

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul T'Koy
DOCKET NO.: 07-06637.001-R-2
PARCEL NO.: 08-28-201-005

The parties of record before the Property Tax Appeal Board are Paul T'Koy, the appellant, by attorney Michael Elliott, of Elliott & Associates, P.C. in Des Plaines, and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$249,300
IMPR: \$482,420
TOTAL: \$731,720

Subject only to the State multiplier as applicable.

ANALYSIS

The subject 3.1-acre parcel is improved with a two-story stone dwelling containing 7,647 square feet of living area. The home was built in 2002 and features central air conditioning, six fireplaces, a slate roof, copper gutters, a three-car garage and a full walk-out basement with 4,531 square feet of finished basement area. The property is located in Naperville, Lisle Township, DuPage County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument, the appellant submitted an appraisal estimating the subject property had a market value of \$2,200,000 as of January 1, 2007. The appraiser, Michael J. Sullivan of Realty Valuation Services, Inc. analyzed both the cost and sales comparison approaches to value. The appellant also indicated the DuPage County Board of Review had assessed the property at \$953,680, which reflects a market value of approximately \$2,867,348 using the 2007 three-year-median level of assessment for DuPage County of 33.26%. Based on this

evidence the appellant requested the subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$2,200,000 as of January 1, 2007. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$2,200,000 as of January 1, 2007. Since market value has been established, the three-year median level of assessments for DuPage County for 2007 of 33.26% shall be applied. 86 Ill.Admin.Code 1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
