

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rigoberto Fernandez
DOCKET NO.: 07-20089.001-R-1
PARCEL NO.: 16-28-215-038-0000

The parties of record before the Property Tax Appeal Board are Rigoberto Fernandez, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,249
IMPR.: \$ 20,219
TOTAL: \$ 23,468

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of masonry construction containing 2671 square feet of living area. The dwelling is 42 years old. Features of the home include a full, finished basement and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as one-story or two-story frame dwellings that range in age from 92 to 104 years old. The comparable dwellings range in size from 2550 to 3294 square feet of living area. Features include full basements, one of which is finished. The appellant did not indicate whether they have garages. The comparables have improvement assessments ranging from \$4.91 to \$5.28 per square foot of living area. The subject's improvement assessment is \$7.57 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story

masonry dwellings that range in age from 33 to 44 years old. The dwellings range in size from 2240 to 2536 square feet of living area. Features include full or partial basements, two of which are finished as apartments. Two have two-car garages. These properties have improvement assessments ranging from \$8.82 to \$9.67 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the appellant should be given reduced weight because they are frame dwellings much older than the subject. The board of review's comparables were two-story, masonry dwellings similar in age to the subject. These comparables had improvement assessments that ranged from \$8.82 to \$9.67 per square foot of living area. The subject's improvement assessment of \$7.57 per square foot of living area is lower than the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
