

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tim O Connor
DOCKET NO.: 07-20149.001-R-1
PARCEL NO.: 28-17-209-002-0000

The parties of record before the Property Tax Appeal Board are Tim O Connor, the appellant(s), by attorney Rusty A. Payton, of Law Offices of Rusty A. Payton, P.C. of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,432
IMPR.: \$ 14,963
TOTAL: \$ 18,395

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame and masonry construction containing 1316 square feet of living area. The dwelling is 45 years old. Features of the home include a partial, finished basement, central air conditioning and a one-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as one-story or one and one-half-story frame dwellings that range in age from 35 to 65 years old. The comparable dwellings range in size from 1344 to 1474 square feet of living area. Two have full, unfinished basements, and one has central air conditioning and a fireplace. The appellant did not include the size of any garages the comparables may have. The comparables have improvement assessments ranging from \$6.65 to \$8.41 per square foot of living area. The subject's improvement assessment is \$11.37 per square foot of living area. Based on this evidence, the

appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of one-story frame and masonry dwellings that are 38 or 40 years old. The dwellings have 1196 square feet of living area. All have two-car garages but lack central air conditioning. One has a full, finished basement. These properties have improvement assessments ranging from \$12.15 to \$13.69 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the appellant's comparables should be given reduced weight in the Board's analysis because they were of different exterior construction than the subject. The board of review's comparable were generally similar to the subject but overall had somewhat inferior features compared to the subject. The board of review's comparables had improvement assessments that ranged from \$12.15 to \$13.69 per square foot of living area. The subject's improvement assessment of \$11.37 per square foot of living area is lower than the range established by these comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
