

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John LaFramboise  
DOCKET NO.: 07-20662.001-R-1  
PARCEL NO.: 10-11-306-007-0000

The parties of record before the Property Tax Appeal Board are John LaFramboise, the appellant(s), by attorney Mitchell L. Klein, of Schiller Klein PC of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 16,008  
**IMPR.:** \$ 69,692  
**TOTAL:** \$ 85,700

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a two-story dwelling of frame construction containing 2,288 square feet of living area. The dwelling is 82 years old. Features of the home include a full, finished basement, a fireplace and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as two-story frame and masonry dwellings that range in age from 76 to 80 years old. The comparable dwellings range in size from 2,219 to 2,437 square feet of living area. They have partial or full basements, two of which are finished, fireplaces and garages. The comparables have improvement assessments ranging from \$28.73 to \$33.73 per square foot of living area. The subject's improvement assessment is \$36.49 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of two-

story frame dwellings that range in age from 82 to 116 years old. The dwellings range in size from 2,777 to 2,912 square feet of living area. These properties have improvement assessments ranging from \$26.03 to \$26.87 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant noted the board of review's comparables are assessed less than the subject on a per square foot basis.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The Board finds the board of review's comparables were substantially larger than the subject and received reduced weight. The comparables submitted by the appellant were similar to the subject in age and size as well as in other features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments ranging from \$28.73 to \$33.73 per square foot of living area. The subject's improvement assessment of \$36.49 per square foot of living area is above the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
