

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan Pavlas
DOCKET NO.: 07-20968.001-R-1
PARCEL NO.: 16-29-204-003-0000

The parties of record before the Property Tax Appeal Board are Alan Pavlas, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,858
IMPR.: \$25,513
TOTAL: \$30,371

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 2-story dwelling of masonry construction containing 3,600 square feet of living area. The dwelling is 50 years old and features a partial unfinished basement and a 2-car garage.

The appellant marked comparable sales as the basis for the appeal; however, no sales data was submitted. Therefore this appeal is analyzed as being based on assessment inequity. The appellant submitted information on seven comparable properties. These properties are described as 2-story masonry dwellings that range in age from 69 to 93 years old. The comparable dwellings range in size from 2,874 to 4,416 square feet of living area. All comparables feature partial unfinished basements. Three have central air conditioning and four feature 1½ or 2-car garages. The comparables have improvement assessments ranging from \$5.05 to \$6.70 per square foot of living area. The subject's improvement assessment is \$7.09 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of 2-story masonry dwellings ranging in age from 52 to 86 years old. These

comparables range in size from 3,230 to 3,474 square feet of living area. All comparables feature partial basements, one of which is finished. Three comparables have 1½ or 2-car garages. These properties have improvement assessments ranging from \$7.03 to \$7.71 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The appellant's comparables #1, #3, #4 and #5 differed significantly in size from the subject. Therefore, these four comparables received less weight in the Board's analysis. The Board finds the appellant's comparables #2, #6 and #7 and all four comparables submitted by the board of review were most similar to the subject in location, size, style, exterior construction and features. These comparables had improvement assessments that ranged from \$5.51 to 7.71 per square foot of living area. The subject's assessment of \$7.09 per square foot of living area is within the range established by these most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
