

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie Pav
DOCKET NO.: 07-20969.001-R-1
PARCEL NO.: 16-30-320-039-0000

The parties of record before the Property Tax Appeal Board are Julie Pav, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,292
IMPR.: \$35,019
TOTAL: \$40,311

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 2-story class 2-11 multi-family dwelling of masonry construction containing 4,688 square feet of living area. The dwelling is 47 years old and features a full finished basement and a 3-car garage.

The appellant marked comparable sales as the basis for the appeal; however, no sales data was submitted. Therefore this appeal is analyzed as being based on assessment inequity. The appellant submitted information on five comparable properties all on the same street and in the same block as the subject. These properties are described as 2-story masonry class 2-11 multi-family dwellings that range in age from 45 to 47 years old. The comparable dwellings all contain 4,688 square feet of living area and have finished basements. Three comparables feature 3-car garages. The comparables have improvement assessments ranging from \$6.61 to \$7.99 per square foot of living area. The subject's improvement assessment is \$8.66 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

information on four comparable properties, three of which are on the same street and the same block as the subject. These properties are described as 2-story masonry class 2-11 multi-family dwellings ranging in age from 46 to 75 years old. These buildings contain either 3,356 or 4,688 square feet of living area. All comparables feature full finished basements and 3-car garages. These properties have improvement assessments ranging from \$6.75 to \$8.61 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

All five of the appellant's comparables and comparables #1, #2 and #3 submitted by the board of review were nearly identical to the subject in location, size, style, exterior construction, features and age. These comparables had improvement assessments that ranged from \$6.61 to \$7.99 per square foot of living area. The subject's assessment of \$8.66 per square foot of living area is above the range established by these most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
