

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ben Hollis  
DOCKET NO.: 07-20987.001-R-1  
PARCEL NO.: 14-07-409-009-0000

The parties of record before the Property Tax Appeal Board are Ben Hollis, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 10,898  
**IMPR.:** \$ 35,805  
**TOTAL:** \$ 46,703

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 103-year-old, two-story, single-family dwelling of frame construction containing 1,302 square feet of living area and located in Lake View Township, Cook County. Features of the residence include two full bathrooms and a full-unfinished basement.

The appellant submitted evidence before the Property Tax Appeal Board arguing unequal treatment in the assessment process of the improvement as the basis of the appeal. In support of this claim, the appellant submitted assessment data and descriptive information on four properties suggested as comparable to the subject. Based on the appellant's documents, the four suggested comparables consist of two-story, single-family dwellings of frame or stucco construction located on the same street and block as the subject. The improvements range in size from 1,448 to 1,641 square feet of living area and range in age from 98 to 103 years. The comparables contain one, one and one-half or two full

bathrooms, a full-finished or unfinished basement and a one-car or two-car detached garage. The improvement assessments range from \$39,696 to \$40,778 or from \$24.85 to \$27.89 per square foot of living area. Based on the evidence submitted, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$57,809. The subject's improvement assessment is \$46,911 or \$36.03 per square foot of living area. In support of the assessment the board submitted property characteristic printouts and descriptive data on the same four comparable properties submitted by the appellant.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The appellant's argument was unequal treatment in the assessment process. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review V. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the Board finds the appellant has overcome this burden.

Both parties submitted a total of four properties similar to the subject in improvement size, age, amenities and location and have improvement assessments ranging from \$24.85 to \$27.89 per square foot of living area. The subject's per square foot improvement assessment of \$36.03 falls above the range established by these properties. After considering adjustments and the differences in the both parties' suggested comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is not supported by similar properties contained in the record.

As a result of this analysis, the Property Tax Appeal Board finds the appellant has adequately demonstrated that the subject dwelling was inequitably assessed by clear and convincing evidence and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
