

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Haller  
DOCKET NO.: 07-21195.001-R-1  
PARCEL NO.: 05-17-117-014-0000

The parties of record before the Property Tax Appeal Board are Mark Haller, the appellant, by attorney Mitchell L. Klein of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$61,265  
**IMPR:** \$164,635  
**TOTAL:** \$225,900

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of 24,704 square feet of land improved with an 18-year old, two-story, masonry, single-family dwelling containing 5,620 square feet of living area.

The appellant contends that the market value of the subject property is not accurately reflected in the property's assessed valuation as the basis of this appeal.

In support of the market value argument, the appellant submitted an appraisal estimating the subject property had a market value of \$2,250,000 as of January 1, 2007. The appraiser developed the sales comparison approach and the cost approach to value to estimate a value for the subject of \$2,250,000.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of \$243,024 was disclosed. The subject's assessment reflects a market value of \$2,420,558 using the 2007 three-year median level of assessment for Class 2, residential property under the Cook County Real

Property Classification Ordinance as determined by the Illinois Department of Revenue of 10.04%.

The board of review submitted four equity comparables to demonstrate the subject was equitability assessed. Based on this evidence the board of review requested confirmation of the subject's assessment.

After considering the evidence and reviewing the record, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2<sup>nd</sup> Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code Sec. 1910.65(c). Having considered the evidence presented, the Property Tax Appeal Board finds that the evidence indicates a reduction is warranted.

In determining the fair market value of the subject property, the Property Tax Appeal Board finds the best evidence to be the appellant's appraisal. The appellant's appraiser utilized the sales comparison and cost approach to value in determining the subject's market value of \$2,250,000. The board of review submitted no sales comparables to refute the market value indicated in the appraisal.

Based on this record, the Property Tax Appeal Board finds that the subject property had a market value of \$2,250,000 as of January 1, 2007. Since the market value of the subject has been established, the three-year median level of assessment as established by the Illinois Department of Revenue for Cook County Class 2, residential property of 10.04% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
