

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Dunne  
DOCKET NO.: 07-21274.001-R-1  
PARCEL NO.: 23-35-104-055-0000

The parties of record before the Property Tax Appeal Board are Daniel Dunne, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 15,367  
**IMPR.:** \$ 58,179  
**TOTAL:** \$ 73,546

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property contains a 64,033 square foot parcel of land improved with a two-story single-family dwelling of frame and masonry construction containing 6,477 square feet of living area. The dwelling is 27 years old. Features of the home include three and one half-baths, a full unfinished basement, air conditioning, two fireplaces, and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted descriptive and assessment information on five comparable properties described as two-story frame, frame and masonry or masonry dwellings. The properties range: in age from 6 to 80 years; in size from 5,548 to 6,913 square feet of living area; and in improvement assessments from \$7.57 to \$9.91 square feet of living area. Features include two and two half-baths to four full baths, air conditioning, one to two fireplaces, and four of the properties have a two-car to four-car garage. The subject's improvement assessment is \$11.75 per square feet of living area. Based on

this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$91,499 was disclosed. The board of review presented descriptions and assessment information on two comparable properties consisting of two-story, frame and masonry dwellings that are between 1 and 13 years old. The dwellings range in size from 2,591 to 2,740 square feet of living area. Features include two and one half-baths to three and one half-baths, a full unfinished basement, one fireplace, and a two-car or three-car garage. These properties have improvement assessments ranging from \$13.79 to \$17.53 per square foot of living area.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The Board finds the comparables submitted by the appellant were most similar to the subject in size, exterior construction, and design. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$7.81 to \$9.91 per square foot of living area. The subject's improvement assessment of \$11.75 per square foot of living area is above the range established by the most similar comparables. Therefore, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
