

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daverille Sher
DOCKET NO.: 07-21406.001-R-1
PARCEL NO.: 14-19-312-012-0000

The parties of record before the Property Tax Appeal Board are Daverille Sher, the appellant, by attorney James A. DiChristofano, of Law Offices of James A. DiChristofano in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 12,241
IMPR.: \$ 41,868
TOTAL: \$ 54,109

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 3,100 square feet of land improved with a 96-year old, two-story, masonry, multi-family dwelling with two apartments, therein. The improvement contains 2,326 square feet of living area as well as two full baths, a full basement, two fireplaces, and a two-car garage.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for four suggested comparables as well as photographs for these properties. They are improved with a two-story, multi-family dwelling of frame or masonry exterior construction. They range: in age from 96 to 118 years; in improvement size from 2,234 to 2,640 square feet of living area; and in improvements assessments from \$10.66 to \$12.77 per square foot. In comparison, the subject's improvement assessment is \$18.00 per square foot of living area. The properties also include varying amenities. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$54,109. The board of review submitted descriptive and assessment data relating to four suggested comparables located either within one-quarter mile's distance or within the subject's subarea. The properties are improved with a two-story, masonry, multi-family dwelling with from two to four apartments, therein. They range: in age from 84 to 98 years; in improvement size from 2,414 to 2,640 square feet of living area; and in improvement assessments from \$18.38 to \$20.29 per square foot. The properties include varying amenities. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has not met this burden.

Upon due consideration of the evidence submitted by the parties, the Board finds that the appellant's comparables #2 and #4 as well as the board of review's comparables #1 through #4 are most similar to the subject in style, improvement age, size, and/or amenities. In analysis, the Board accorded most weight to these comparables, which range in improvement assessments from \$11.88 to \$20.29 per square foot of living area. The subject's improvement assessment at \$18.00 per square foot is within the range established by these comparables.

Therefore, the Board finds that the appellant has not demonstrated that the subject is inequitably assessed and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
