

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keith Olsen
DOCKET NO.: 07-21443.001-R-1
PARCEL NO.: 08-23-201-062-0000

The parties of record before the Property Tax Appeal Board are Keith Olsen, the appellant(s), by attorney James E. Doherty, of Thomas M. Tully & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,887
IMPR.: \$ 50,544
TOTAL: \$ 53,431

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 2,776 square foot parcel of land improved with a 29-year old, two-story, masonry, multi-family dwelling containing 4,050 square feet of living area, six baths, air conditioning and six apartment units. The appellant argued, via counsel, unequal treatment in the assessment process as the basis of the appeal.

In support of the equity argument, the appellant, via counsel, submitted information on a total of three properties suggested as comparable. The properties are described as two-story, masonry, multi-family dwellings. Features include six baths and six apartment units. The properties are 29-years old, contain 4,050 square feet of living area, and have improvement assessments from \$11.00 to \$11.11 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of \$50,544

or \$12.48 per square foot of living area was disclosed. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four properties suggested as comparable. The properties are described as two-story, masonry, multi-family dwellings. Features include six baths and six apartment units. The properties are 28 or 29 years old, contain 4,050 square feet of living area, and have improvement assessments from \$12.48 to \$13.19 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant submitted a letter asserting the appellant's comparables' assessment for 2007 were based on reductions at the board of review and were maintained for the 2008 assessment year.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). After an analysis of the assessment data, the PTAB finds the appellant has not met this burden.

The parties presented a total of seven properties suggested as comparable. The PTAB finds all the comparables similar to the subject in location, size, design, construction and age. The properties are 28 or 29 years old, contain 4,050 square feet of living area, and have improvement assessments from \$11.00 to \$13.19 per square foot of living area. In comparison, the subject's improvement assessment of \$12.48 per square foot of living area is within the range of these comparables. Therefore, after considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported and a reduction in the improvement assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
