

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexey Goldin
DOCKET NO.: 07-21606.001-R-1
PARCEL NO.: 05-32-304-009-0000

The parties of record before the Property Tax Appeal Board are Alexey Goldin, the appellant(s), by attorney Julie Realmuto, of McCarthy Duffy of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 13,072
IMPR: \$ 29,032
TOTAL: \$ 42,104

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a multi-level dwelling of frame and masonry construction containing 1149 square feet of living area. The dwelling is 47 years old. Features of the home include a partial, finished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as multi-level frame and masonry dwellings that range in age from 42 to 48 years old. The comparable dwellings range in size from 1330 to 1434 square feet of living area. Features include partial basements, but the appellant did not indicate whether any are finished. Two have central air conditioning. The appellant did not include any data concerning garages for the comparables. The comparables have improvement assessments ranging from \$21.70 to \$23.05 per square foot of living area. The subject's improvement assessment is \$25.27 per square foot of living area. Based on

this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of multi-level frame and masonry dwellings that are 52 years old. The dwellings have 1161 or 1215 square feet of living area. Features include partial finished basements and central air conditioning. These properties have improvement assessments ranging from \$25.12 to \$25.69 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by both parties were most similar to the subject in most property characteristics. The appellant's comparables were somewhat larger than the subject, and the board of review's comparables had central air conditioning not enjoyed by the subject. The comparables had improvement assessments that ranged from \$21.70 to \$25.69 per square foot of living area. The subject's improvement assessment of \$25.27 per square foot of living area is within the range established by the comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
