

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: S. Gitter
DOCKET NO.: 07-21707.001-R-1
PARCEL NO.: 09-35-113-013-0000

The parties of record before the Property Tax Appeal Board are S. Gitter, the appellant(s), by attorney Julie Realmuto, of McCarthy Duffy of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,936
IMPR.: \$ 38,584
TOTAL: \$ 48,520

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of stucco construction containing 1002 square feet of living area. The dwelling is 87 years old. Features of the home include a full, finished basement and a fireplace.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted basic assessment information on seven properties but provided sufficiently detailed property characteristics information on only four comparable properties. They were described as one-story or one and one-half-story frame or masonry dwellings that range in age from 66 to 119 years old. The comparable dwellings range in size from 1132 to 1252 square feet of living area. Three have full, unfinished basements, and one has a fireplace. The appellant did not include any data concerning garages for the comparables. The comparables have improvement assessments ranging from \$26.86 to \$29.17 per square foot of living area. The subject's improvement assessment is \$38.51 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed.

The board of review presented descriptions and assessment information on one comparable property consisting of a one-story frame and masonry dwelling that is 46 years old. The dwelling has 1031 square feet of living area. Features include a full, unfinished basement, and a two-car garage. It has an improvement assessment of \$40.01 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the both parties were not similar to the subject in exterior construction. Two of the appellant's comparables also were of different design, another had no basement and the fourth was 20 percent larger than the subject. The board of review's comparable was much newer than the subject. The comparables had improvement assessments that ranged from \$26.86 to \$40.01 per square foot of living area. The subject's improvement assessment of \$38.51 per square foot of living area is within the range established by the comparables. The Board finds the appellant has not established the subject is inequitably assessed by clear and convincing evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
