

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Ripstein
DOCKET NO.: 07-22392.001-R-1 through 07-22392.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Kenneth Ripstein, the appellant, by attorney Alan D. Skidelsky, of Skidelsky & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
07-22392.001-R-1	10-14-116-024-0000	\$8,191	\$17,249	\$25,440
07-22392.002-R-1	10-14-116-025-0000	\$5,816	\$33,302	\$39,118
07-22392.003-R-1	10-14-116-026-0000	\$5,816	\$2,792	\$8,608

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 53 year old, 2,220 square foot, two-story, masonry, single-family dwelling. Features include a full unfinished basement, two fireplaces and air conditioning. The dwelling is situated on three lots containing a total of 13,395 square feet.

The appellant submitted evidence before the Property Tax Appeal Board claiming unequal treatment in the assessment process as the basis of the appeal. In support of this claim, the appellant submitted information on five suggested comparable properties located in the subject property's neighborhood code. They consist of two-story, masonry, single-family dwellings that range in age from 53 to 62 years old and range in size from 2,169 to 2,763 square feet of living area. Features include a one or two-car garage, air conditioning and a crawl space, a partial or a full unfinished or finished basement. These comparables have improvement assessments that range from \$22.66 to \$24.48 per square foot of living area. The subject's improvement assessment is \$45.47 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$120,775 was disclosed. The board of review did not present any suggested comparable properties. The board of review presented the property characteristic printouts for the subject as well as the documentation the appellant presented at the board level hearing. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The parties submitted a total of five suggested comparables for the Board's consideration. The Board finds the appellant's comparables to be similar to the subject in location, size and style. These comparables had improvement assessments that ranged from \$22.66 to \$24.48 per square foot of living area. The subject's improvement assessment of \$45.47 per square foot of living area is above the range established by the most similar comparables. After considering adjustments and the differences in the appellant's comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
