

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Suryakant Patel
DOCKET NO.: 07-22781.001-R-1
PARCEL NO.: 09-14-208-048-0000

The parties of record before the Property Tax Appeal Board are Suryakant Patel, the appellant, by attorney Michael Griffin in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,264
IMPR.: \$ 21,236
TOTAL: \$ 24,500

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story townhouse of frame and masonry construction containing 1,311 square feet of living area. The dwelling is 42 years old, and it has a partial, finished basement and central air conditioning.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as one or two-story frame and masonry townhouses. Each is 44 years old, and each contains 1,651 square feet of living area. One dwelling has central air conditioning. However, the appellant did not provide any information on the comparables' foundations. The comparables have improvement assessments ranging from \$12.24 to \$15.68 per square foot of living area. The subject's improvement assessment is \$16.20 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story frame and masonry townhouses that are either 42 or 48 years old.

The dwellings contain either 1,252 or 1,311 square feet of living area. Each has a full, unfinished basement and central air conditioning. These properties have improvement assessments ranging from \$17.31 to \$18.95 per square foot of living area. As part of its evidence, the board of review disclosed that the subject sold in June 2004 for \$245,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

Both parties presented assessment data on a total of eight equity comparables. The appellant's comparables were much larger than the subject and received reduced weight in the Board's analysis. The Board finds the comparables submitted by the board of review were most similar to the subject in size. They were also very similar in age, style, exterior construction, and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$17.31 to \$18.95 per square foot of living area. The subject's improvement assessment of \$16.20 per square foot of living area falls below the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
