

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan Washer  
DOCKET NO.: 07-23349.001-R-1  
PARCEL NO.: 20-29-133-021-0000

The parties of record before the Property Tax Appeal Board are Alan Washer, the appellant(s), by attorney Patrick J. Cullerton, of Thompson Coburn LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,277  
**IMPR:** \$4,651  
**TOTAL:** \$6,928

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 3,350 square foot parcel of land improved with a 93-year old, one and one-half story, frame, single-family dwelling containing 1,684 square feet of living area. The appellants argued that the market value of the subject property is not accurately reflected in its assessed value.

In support of this overvaluation argument the appellant submitted a copy of the settlement statement indicating the subject sold in February 2006 for \$69,000. Based on this evidence the appellant requests a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$12,356 was disclosed. This assessment reflects a market value of \$123,068 using the Illinois Department of Revenue's 2007 three year median level of assessment for class 2 property of 10.04%.

In support of the subject's assessment, the board of review presented descriptions and assessment information on four

properties suggested as comparable. The properties are described as one and one-half story, frame, single-family dwellings. The properties range: in age from 83 to 96 years; in size from 1,526 to 1,608 square feet of living area; and in improvement assessments from \$6.06 to \$6.71 per square foot of living area. The board also lists the subject sale in February 2006 for \$69,000 and the sale of one comparable in December 2005 for \$115,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the testimony, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2<sup>nd</sup> Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the PTAB concludes that the evidence indicates a reduction is warranted.

The PTAB finds the best evidence of the subject's market value is the sale of the subject in February 2006 for \$69,000. In addition, the PTAB finds the board of review's evidence supports the sale by including the sale in its evidence.

Based on this record the Property Tax Appeal Board finds that the subject property had a market value of \$25,000 for the 2007 assessment year. Since market value has been determined, the 2007 three year median level of assessment of 10.04% for class 2 property as established by the Illinois department of Revenue shall apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
