

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sue Hertzberg  
DOCKET NO.: 07-23697.001-R-1  
PARCEL NO.: 05-35-109-019-0000

The parties of record before the Property Tax Appeal Board are Sue Hertzberg, the appellant, by attorney Edward Larkin, of Larkin & Larkin in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 31,353  
**IMPR.:** \$ 69,176  
**TOTAL:** \$ 100,529

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 11,040 square foot parcel of land improved with an 86-year old, one-story, masonry, single family dwelling. The improvement contains 2,475 square feet of living area as well as three full and two half-baths, a full basement, two fireplaces, and a two-car garage.

The appellant's attorney argued that there was unequal treatment in the assessment process as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for three suggested comparables. The properties were improved with a one-story or one and one-half story, single-family dwelling of masonry, frame or frame and masonry exterior construction with two bathrooms in each structure. They range: in age from 39 to 74 years; in size from 1,980 to 1,514 square feet of living area; and in improvement assessments from \$20.32 to \$24.44 per square foot. Amenities include one fireplace and a multi-car garage. The subject's improvement assessment is \$27.95 per square foot of living area.

Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$100,529. The board of review submitted descriptive and assessment data relating to four suggested comparables. The properties are improved with a one-story or one and one-half story, frame or masonry, single-family dwelling. They range: in age from 83 to 97 years; in size from 1,806 to 2,553 square feet of living area; and in improvement assessment from \$27.68 to \$31.16 per square foot. Amenities include a full basement, one fireplace, and a two-car garage. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the record as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds the appellant has not met this burden.

The Board finds that comparable #2 submitted by the appellant as well as comparables #2 and #4 submitted by the board of review are most similar to the subject in improvement size and/or age. In analysis, the Board accorded most weight to these comparables. These comparables ranged in improvement assessments from \$20.32 to \$28.45 per square foot of living area. The subject's improvement assessment at \$27.95 per square foot is within the range established by these comparables.

As a result of this analysis, the Board finds the appellant has not adequately demonstrated that the subject was inequitably assessed by clear and convincing evidence and a reduction is not warranted to the improvement assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
