

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Guzutta
DOCKET NO.: 07-23700.001-R-1
PARCEL NO.: 09-25-105-008-0000

The parties of record before the Property Tax Appeal Board are Kenneth Guzutta, the appellant, by attorney Edward Larkin, of Larkin & Larkin in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 10,598
IMPR.: \$ 67,662
TOTAL: \$ 78,260

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 8,280 square foot parcel of land improved with a 57-year old, two-story, frame and masonry, single-family dwelling. The improvement contains 2,506 square feet of living area as well as a full basement, two full and two half-baths, two fireplaces, and a two-car garage.

The appellant's attorney argued that there was unequal treatment in the assessment process as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for three suggested comparables. The properties were improved with a two-story, single-family dwelling of frame and masonry exterior construction with two full and one half-baths. They range: in age from 41 to 45 years; in size from 2,381 to 3,257 square feet of living area; and in improvement assessments from \$17.57 to \$23.14 per square foot. Amenities include a partial basement, one or two fireplaces and a two-car garage. The subject's improvement assessment is \$27.00 per square foot of living area. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$78,260. The board of review submitted descriptive and assessment data relating to four suggested comparables. The properties are improved with a two-story, frame and masonry, single-family dwelling. They range: in bathrooms from two to three; in age from 51 to 60 years; in size from 2,203 to 2,687 square feet of living area; and in improvement assessment from \$27.54 to \$37.03 per square foot. Amenities include basement area, one to three fireplaces, and a multi-car garage. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the record as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds the appellant has not met this burden.

The Board finds that comparables #1 and #3 submitted by the appellant as well as comparable #2 submitted by the board of review are most similar to the subject in exterior construction, improvement size and/or age. In analysis, the Board accorded most weight to these comparables. These comparables ranged in improvement assessments from \$22.72 to \$27.66 per square foot of living area. The subject's improvement assessment at \$27.00 per square foot is within the range established by these comparables.

As a result of this analysis, the Board finds the appellant has not adequately demonstrated that the subject was inequitably assessed by clear and convincing evidence and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
