

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ken Norman
DOCKET NO.: 07-23945.001-R-1
PARCEL NO.: 08-22-204-018-0000

The parties of record before the Property Tax Appeal Board are Ken Norman, the appellant, by attorney Michael Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,343
IMPR.: \$45,556
TOTAL: \$50,899

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 2,569 square foot parcel of land improved with a 29-year old, three-story, masonry, apartment building containing 5,001 square feet of living area with air conditioning.

The appellant argued unequal treatment in the assessment process as the basis of this appeal. The appellant submitted descriptions and assessment information on a total of 23 properties suggested as comparable and located within .07 miles of the subject. The properties are described as three-story, masonry, apartment buildings with air conditioning for two properties. The properties are 29 years old and contain 5,001 square feet of living area. The improvement assessments range from \$9.11 to \$9.13 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed.

The board of review presented descriptions and assessment information on four comparable properties located on the same block as the subject. Three out of the four comparables presented by the appellant are the same three comparables the board of review presented. The properties are described as three-story, masonry, apartment buildings with air conditioning. The properties are 29 years old and containing 5001 square feet of living area. The improvement assessments are \$9.11 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment. In rebuttal, the appellant submitted a letter arguing that the board of review evident support a reduction.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The Board finds the comparables submitted by the appellant and the board of review are similar to the subject in location, size, style, construction and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. Three of the four comparables submitted by the appellant are identical to the three comparables submitted by the board of review. These comparables had improvement assessments that ranged from \$9.11 to \$9.13 per square foot of living area. The subject's improvement assessment of \$10.61 per square foot of living area is above the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
