

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Ann Moseley
DOCKET NO.: 07-24287.001-R-1
PARCEL NO.: 11-19-413-078-0000

The parties of record before the Property Tax Appeal Board are Mary Ann Moseley, the appellant(s), by attorney Edward Larkin, of Larkin & Larkin in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,804
IMPR.: \$ 41,677
TOTAL: \$ 44,481

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property contains a 1,375 square foot parcel of land improved with a three-story dwelling of masonry construction containing 2,247 square feet of living area. The dwelling is four years old. Features of the home include two and one half-baths, air conditioning, and one fireplace.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted descriptive and assessment information on three comparable properties described as three-story, masonry dwellings that are four years old. They contain 2,247 square feet of living area, air conditioning, and a two-car garage. Their improvement assessments range from \$17.27 to \$17.32 square feet of living area. Features include a fireplace and a two-car garage. The subject's improvement assessment is \$19.71 per square feet of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$47,100 was disclosed. The board of review failed to provide any comparable properties.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the appellant, were similar to the subject in location, size, exterior construction and age. Due to their similarities to the subject, these comparables received weight in the Board's analysis. These comparables had improvement assessments that ranged from \$17.27 to \$17.32 per square foot of living area. The subject's improvement assessment of \$19.71 per square foot of living area is above the range established by the most similar comparables. Therefore, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
