

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Martino
DOCKET NO.: 07-25618.001-R-1
PARCEL NO.: 02-15-429-006-0000

The parties of record before the Property Tax Appeal Board are Nancy Martino, the appellant, by attorney Joseph G. Kusper, of Storino Ramello & Durkin in Rosemont; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,909
IMPR.: \$49,737
TOTAL: \$52,646

Subject only to the State multiplier as applicable.

ANALYSIS

The subject consists of a 3,828 square foot parcel of land improved with a two-story, multi-family dwelling of masonry construction containing 3,136 square feet of building area. The dwelling is 110 years old. Features of the dwelling include central air conditioning.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as two-story, multi-family masonry dwellings that range in age from 43 to 52 years old. The comparable dwellings range in size from 4,550 to 8,189 square feet of building area. Features include air conditioning and a partial unfinished basement for three properties. The comparables have improvement assessments ranging from \$9.15 to \$11.41 per square foot of building area. The subject's improvement assessment is \$15.98 per square foot of building area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of \$53,019 was disclosed. The subject's improvement assessment is \$50,110 or \$15.98 per square feet of building area. The board of review presented descriptions and assessment information on one

comparable property consisting of a two-story, multi-family masonry dwelling that is 99 years old and contains 4,480 square feet of building area. Features include air conditioning. The subject's improvement assessment is \$15.86 per square foot of building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The Board finds the comparables submitted by the appellant and the board of review both parties are similar to the subject in location, style, and exterior construction. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$9.15 to \$15.86 per square foot of building area. The subject's improvement assessment of \$15.98 per square foot of building area is above the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
