

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffery J. Piejak  
DOCKET NO.: 07-26281.001-R-1  
PARCEL NO.: 14-19-204-006-0000

The parties of record before the Property Tax Appeal Board are Jeffery J. Piejak, the appellant(s), by attorney David C. Dunkin, of Arnstein & Lehr in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,454  
**IMPR.:** \$50,700  
**TOTAL:** \$64,154

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 3,781 square foot parcel of land improved with a 113-year old, two-story, frame, multi-family dwelling containing 2,028 square feet of living area, two baths, and a full, unfinished basement. The appellant, via counsel, argued there was unequal treatment in the assessment process of the improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted information on a total of four properties suggested as comparable. The properties are described as two-story, frame or masonry, multi-family dwellings. Features include two or three baths, and full basement with two finished. The properties range: in age from 96 to 118 years; in size from 2,256 to 2,455 square feet of living area; and in improvement assessments from \$19.54 to \$23.72 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of \$66,546 or \$32.81 per square foot of living area was disclosed. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four properties suggested as comparable. The properties are described as two-story, frame, multi-family dwellings. Features include two or two and one-half baths, a fireplace for one property, air conditioning for one property, and, for all properties, a full unfinished basement. The properties range: in age from 98 to 113 years; in size from 1,906 to 2,178 square feet of living area; and in improvement assessments from \$24.48 to \$25.66 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has met this burden.

The parties presented a total of eight properties suggested as comparable. The PTAB finds the board of review's comparables most similar to the subject in size, design, construction, and/or age. The properties range: in age from 98 to 113 years; in size from 1,906 to 2,045 square feet of living area; and in improvement assessments from \$24.48 to \$25.66 per square foot of living area. In comparison, the subject's improvement assessment of \$32.81 per square foot of living area is above the range of these comparables. Therefore, after considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is not supported and a reduction in the improvement assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
