

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Virgil Rivera
DOCKET NO.: 07-27361.001-R-1
PARCEL NO.: 13-35-208-022-0000

The parties of record before the Property Tax Appeal Board are Virgil Rivera, the appellant, by attorney Joel R. Monarch in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 16,536
IMPR.: \$ 38,095
TOTAL: \$ 54,631

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 10,600 square feet of land improved with a 101-year old, two-story, masonry, multi-family dwelling. The improvement contains 4,044 square feet of living area as well as three full baths, a full basement, and a one-car garage.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for three suggested comparables as well as property characteristic printouts and photographs for these properties, which are located on the same block as is the subject. They are improved with a two-story, multi-family dwelling of masonry, frame and masonry, or stucco exterior construction. They range: in bathrooms from two full baths to two full and one half-baths; in age from 83 to 104 years; in improvement size from 3,492 to 3,912 square feet of living area; and in improvements assessments from \$9.07 to \$9.43 per square foot. In comparison, the subject's improvement assessment is \$16.93 per square foot of living area. The properties included a

full basement and either a two-car or four-car garage. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$85,000. The board of review submitted descriptive and assessment data relating only the subject property. Beyond this data, the board failed to submit any equity comparables to support the subject's assessment. However, the board's grid stated that the subject was purchased in October, 2004, for a price of \$850,000. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has met this burden.

Upon due consideration of the evidence submitted by the parties, the Board finds that the appellant's comparables are most similar to the subject in location, style, improvement size, and/or amenities. In analysis, the Board accorded most weight to these comparables, which range in improvement assessments from \$9.07 to \$9.43 per square foot of living area. The subject's improvement assessment at \$16.93 per square foot is above the range established by these comparables.

The Board finds that the board of review failed to submit any equity data to support the subject's assessment.

Therefore, the Board finds that the appellant has demonstrated that the subject is inequitably assessed and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
