

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hassan Kamali
DOCKET NO.: 07-27555.001-R-1 through 07-27555.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Hassan Kamali, the appellant, by attorney Lisa A. Marino, of Marino & Assoc., PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
07-27555.001-R-1	04-26-407-054-0000	35,822	43,154	\$78,976
07-27555.002-R-1	04-26-407-056-0000	6	0	\$6

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 28,889 square feet of land improved with a 56 year old, one-story, single-family dwelling of masonry construction. The property contains 2,531 square feet of living area. Features of the home include two and one half-baths, a full unfinished basement, and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as one-story, or two-story per photos, frame, masonry, or frame and masonry dwellings that range: in age from 52 to 82 years; in size from 1,843 to 3,278 square feet of living area; and in improvement assessments from \$15.53 to \$19.46 square feet of living area. Features include one to two and one half-baths, a full unfinished basement, and two properties have a one and one-half car garage to a three-car garage. The subject's improvement assessment is \$22.99 per square feet of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$94,009 was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of one-story, masonry dwellings that are between 39 and 54 years old. The dwellings range in size from 2,217 to 2,458 square feet of living area. Features include two to two and one half-baths, air conditioning, and a one and one-half car garage to a two-car garage. These properties have improvement assessments ranging from \$19.27 to \$22.00 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The Board finds the comparables submitted by the board of review were most similar to the subject in size, exterior construction, features and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$19.27 to \$22.00 per square foot of living area. The subject's improvement assessment of \$22.99 per square foot of living area is above the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
