

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Linnane  
DOCKET NO.: 07-28513.001-R-1  
PARCEL NO.: 12-23-222-016-0000

The parties of record before the Property Tax Appeal Board are Thomas Linnane, the appellant(s), by attorney Edward Larkin, of Larkin & Larkin in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,784  
**IMPR.:** \$21,220  
**TOTAL:** \$27,004

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 3,144 square foot parcel of land improved with a 53-year old, one-story, masonry, single-family dwelling containing 880 square feet of living area, one baths, and a full, unfinished basement. The appellant, via counsel, argued there was unequal treatment in the assessment process of the improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted information on a total of three properties suggested as comparable. The properties are described as one-story, masonry or frame, single-family dwellings. Features include one or two baths, and, for one property, air conditioning and a full, unfinished basement. The properties range: in age from 54 to 83 years; in size from 626 to 960 square feet of living area; and in improvement assessments from \$3.00 to \$22.45 per square foot of living area. The assessment data for suggested comparable #1 is from the 2008 assessment year. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of \$21,220 or \$24.11 per square foot of living area was disclosed. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four properties suggested as comparable. The properties are described as one-story, masonry, single-family dwellings. Features include one or one and one-half baths and full basements with one finished. The properties range: in age from 51 to 57 years; in size from 884 to 960 square feet of living area; and in improvement assessments from \$24.66 to \$26.56 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has not met this burden.

The parties presented a total of seven properties suggested as comparable. The PTAB finds the board of review's comparables and the appellant's comparable #2 most similar to the subject in size, design, construction, age and/or location. The properties range: in age from 51 to 57 years; in size from 884 to 960 square feet of living area; and in improvement assessments from \$22.45 to \$26.56 per square foot of living area. In comparison, the subject's improvement assessment of \$24.11 per square foot of living area is within the range of these comparables. Therefore, after considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported and a reduction in the improvement assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
