

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan Washer (Value Properties, Inc.)
DOCKET NO.: 07-28542.001-R-1
PARCEL NO.: 12-15-316-040-0000

The parties of record before the Property Tax Appeal Board are Alan Washer (Value Properties, Inc.), the appellant(s), by attorney Patrick J. Cullerton, of Thompson Coburn LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,299
IMPR.: \$5,243
TOTAL: \$10,542

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 5,520 square foot parcel of land improved with an 81-year old, one-story, frame, single-family dwelling containing 720 square feet of living area and one bath. The appellant, via counsel, argued that the market value of the subject property is not accurately reflected in its assessed value.

In support of this overvaluation argument the appellant submitted a copy of a settlement statement dated June 21, 2006 indicating the subject was purchased for \$105,000. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's purchase price.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of \$21,959 was disclosed. This assessment reflects a market value of \$218,719 using the Illinois Department of Revenue's 2007 three year median level of assessment for class 2 property of 10.04%. In support of the subject's assessment, the board of review presented

descriptions and assessment information on four properties suggested as comparable. The properties are described as one-story, masonry or frame and masonry, single-family dwellings. The properties range: in age from 38 to 48 years; in size from 924 to 988 square feet of living area; and in improvement assessments from \$12.08 to \$25.59 per square foot of living area. The board of review's evidence also lists the sale of the subject in June 2006 for \$105,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3rd Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2nd Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the PTAB concludes that the evidence indicates a reduction is warranted.

The appellant in this appeal submitted a closing statement for the subject property showing a purchase price of \$105,000 in June 2006. The board of review also included this sale and did not refute the arm's length nature of the sale. The subject's assessment reflects a market value greater than the purchase price as shown on the closing statement.

Based on this record the Property Tax Appeal Board finds that the subject property had a market value of \$105,000 for the 2007 assessment year. Since market value has been determined, the 10.04% 2008 three year median level of assessment for class 2 property as established by the Illinois department of Revenue shall apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
