

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leane Marcus
DOCKET NO.: 07-28766.001-R-1
PARCEL NO.: 03-05-109-012-0000

The parties of record before the Property Tax Appeal Board are Leane Marcus, the appellant, by attorney Edward Larkin, of Larkin & Larkin in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,960
IMPR.: \$ 29,014
TOTAL: \$ 35,974

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property contains a 8,700 square foot parcel of land improved with a one-story, single-family dwelling of frame construction. The dwelling contains 2,001 square feet of living area and is 38 years old. Features of the home include two bathrooms, a crawl space, air conditioning, and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted descriptive and assessment information on three comparable properties described as one-story frame dwellings that are 39 years old. They range in size from 1,959 to 2,592 square feet of living area, and in improvement assessments from \$13.71 to \$14.19 square feet of living area. Features include air conditioning, two bathrooms, and a two-car garage. The subject's improvement assessment is \$14.50 per square feet of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$35,974

disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of one-story, frame dwellings that are 39 years old. The dwellings contain 2,001 to 2,037 square feet of living area and a two-car garage. Features include an unfinished partial, slab, or crawl space and two properties have air conditioning. These properties have improvement assessments ranging from \$14.43 to \$15.12 per square foot of living area.

In rebuttal, the attorney for the appellant argued that the comparables submitted by the board of review are located a minimum of one-quarter mile from the subject property and that they have more and superior amenities than does the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparable #3 submitted by the appellant and the comparables submitted by the board of review were most similar to the subject in size, exterior construction and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$14.19 to \$15.12 per square foot of living area. The subject's improvement assessment of \$14.50 per square foot of living area is within the range established by the most similar comparables. Therefore, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
