

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan Washer (Value Properties, Inc.)
DOCKET NO.: 07-29213.001-R-1
PARCEL NO.: 29-17-211-017-0000

The parties of record before the Property Tax Appeal Board are Alan Washer (Value Properties, Inc.), the appellant(s), by attorney Patrick J. Cullerton, of Thompson Coburn LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 989
IMPR.: \$ 3,278
TOTAL: \$ 4,267

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a three-story multi-family dwelling of masonry construction. The property contains 3,907 square feet of living area. It is located in Thornton Township, Cook County.

The appellant, via counsel, argued that the market value of the subject property is not accurately reflected in its assessed value. In support of this overvaluation argument the appellant submitted a copy of settlement statement indicating the subject sold in January 2007 for \$42,500. The attorney further argues that the sale was an arm's length transaction. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's purchase price.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of \$6,800 was disclosed. This assessment reflects a market value of \$67,729 using the Illinois Department of Revenue's 2007 three year median level of assessment for class 2 property of 10.04%. In support of

the subject's assessment, the board of review submitted description, assessment information on one comparable property. This property is 112-year old, three-story masonry dwelling which contains 3,465 square feet of living area. The property has an improvement assessment of \$2.74 per square foot of living area. The board also included data that the subject sold in January 2007 for \$42,500. As a result of this analysis, the board requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3rd Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2nd Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the PTAB concludes that the evidence indicates a reduction is warranted.

The PTAB finds the best evidence of market value is the sale of the subject in January 2007 for \$42,500. Both the appellant and the board of review submitted un-rebutted evidence of this sale. The subject's assessment reflects a market value greater than the purchase price.

Based on this record the Property Tax Appeal Board finds that the subject property had a market value of \$42,500 for the 2007 assessment year. Since market value has been determined, the 2007 three year median level of assessment for class 2 property as established by the Illinois department of Revenue of 10.04% shall apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
