

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arthur Klaviter  
DOCKET NO.: 07-30879.001-I-1 through 07-30879.004-I-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Arthur Klaviter, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
07-30879.001-I-1	29-08-309-104-0000	\$8,439	\$8,618	\$17,057
07-30879.002-I-1	29-08-309-024-0000	\$2,213	\$0	\$2,213
07-30879.003-I-1	29-08-309-025-0000	\$2,817	\$900	\$3,717
07-30879.004-I-1	29-08-309-026-0000	\$3,099	\$3,106	\$6,205

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with two, one-story buildings being used for office and shop and foundry areas. One building contains 8,951 square feet of building area and the second building contains 3,200 square feet for a total complex area of 12,151 square feet of building area. The buildings were constructed in various stages from 1920 to 1967 and have a weighted age of approximately 60 years. The buildings are located on a 20,818 square foot site.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$85,000 as of January 1, 2005. The appellant also submitted copies of the final decisions issued by the Property Tax Appeal Board for the 2005 and 2006 tax years. The decisions were based upon the \$85,000 market value as found in the appellant's appraisal. The appellant argued that nothing had changed between

the 2006 tax year and the 2007 year of the current appeal and that the assessment for 2007 should be the same as the Board found in 2006. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$85,000 as of January 1, 2005. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$85,000 as of January 1, 2007. Since market value has been determined the 36% level of assessment for class 5B property under the Cook County Real Property Assessment Classification Ordinance shall apply for the improved parcels and the 22% level shall apply to vacant parcel. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
