Analysis

The subject consists of a residential property located in the City of Champaign Township, Champaign County.

The appellant submitted evidence to the Property Tax Appeal claiming overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal of the subject property with a market value estimate of \$190,000, as of the report's effective date of November 21, 2008. The evidence further revealed that the appellant did not file a 2008 assessment complaint with the board of review but filed this appeal directly to the Property Tax Appeal Board following receipt of the notice of application of a township equalization factor. Based on this evidence, the appellant requested a reduction in the subject's assessed valuation.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$69,320 was disclosed. The subject's assessment reflects an estimated market value of \$208,419 using Champaign County's 2008 three-year median level of assessments of 33.26%. After

reviewing the appellant's evidence, the board of review agreed to reduce the subject's assessment to \$65,520, reflecting a market value of approximately \$196,560.

The appellant was notified of this suggested agreement and given thirty (30) days to respond if the offer was not acceptable. The appellant did not respond to the Property Tax Appeal Board by the established deadline.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's 2008 assessment is supported. However, the record indicates that the appellant appealed the subject's assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4<sup>th</sup> Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. Notwithstanding the board of review's offer to reduce the subject's assessment to \$65,520, the reduction the Property Tax Appeal Board can grant is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
