

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Diener
DOCKET NO.: 08-00486.001-R-1
PARCEL NO.: 02-07-22-100-038

The parties of record before the Property Tax Appeal Board are Larry Diener, the appellant; and the Douglas County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Douglas County Board of Review is warranted. The correct assessed valuation of the property is:

F/Land:	\$265
Homesite:	\$4,410
Residence:	\$15,162
Outbuildings:	\$10,372
TOTAL:	\$30,209

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of two parcels totaling 9.91 acres of both residential and farm land property, as well as being improved with multiple farm buildings. The parcel, for which the appeal is being made, has a one and one-half story dwelling containing 1,920 square feet of building area. The building is approximately 23 years old and is located on a 4.62 acre lot.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted a November 3, 2007 closing statement in which the sale price for both parcels of \$112,000 was disclosed. The appellant also submitted a copy of the final decision issued by the Douglas County Board of Review establishing a total assessment for the parcel under appeal of \$51,669. Based on this evidence the appellant requested the subject's assessment be reduced to \$30,209.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value for both parcels in the record is the November 3, 2007 closing statement submitted by the appellant disclosing the sale price of \$112,000. The Board finds the subject's assessment reflects a market value greater than the sale price presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds both parcels had a combined market value of \$112,000 as of January 1, 2008. Since market value has been determined, Douglas County's 2008 three-year median level of assessments of 33.33% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
