

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Frederick  
DOCKET NO.: 08-00786.001-R-1  
PARCEL NO.: 46-20-26-175-014

The parties of record before the Property Tax Appeal Board are Jeffrey Frederick, the appellant; and the Champaign County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Champaign County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$41,200  
**IMPR:** \$140,780  
**TOTAL:** \$181,980

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject consists of a residential property located in Champaign County.

The appellant in this appeal submitted evidence to demonstrate that the subject's assessment was not reflective of fair market value. In support of this claim, the appellant submitted an appraisal report. The appraisal report estimated a fair market value for the subject property of \$508,700 as of February 2009. The appellant's evidence also disclosed the subject's final assessment is \$187,260, which reflects a market value of \$563,019 using Champaign County's 2008 three-year median level of assessment of 33.26%. Based on this evidence the appellant requested a reduction in the subject's assessment to \$169,333, which reflects a market value of \$508,000. The evidence further revealed that the appellant did not file a complaint with the board of review but filed an appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of

the subject property as required by Section 1910.40(a) of the Official Rules of the Property Tax Appeal Board.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant did not file a complaint with the board of review but appealed the assessment directly to the Property Tax Appeal Board based on notice of an equalization factor. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board can grant is limited. Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4<sup>th</sup> Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
