

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Capital Care Center
DOCKET NO.: 08-01437.001-C-3 through 08-01437.002-C-3
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Capital Care Center, the appellant, by attorney Alan D. Skidelsky of Skidelsky & Associates, P.C., Chicago; and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Sangamon County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
08-01437.001-C-3	14-28.0-401-006	45,691	0	\$45,691
08-01437.002-C-3	14-28.0-401-018	75,632	695,262	\$770,894

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a part four-story and part two-story brick and concrete block structure with 71,609 square feet of above grade building area that was constructed in 1967. The building is used as a skilled nursing facility. The subject property is located in Springfield, Capital Township, Sangamon County.

The appellant submitted evidence before the Property Tax Appeal Board claiming the subject's assessment was not reflective of its fair market value. In support of this claim, the appellant submitted an appraisal report wherein the subject property was estimated to have a fair market value of \$2,450,000 as of January 1, 2008. Based on this evidence, the appellant requested a reduction in the subject's assessed valuation.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject parcels' equalized assessments totaling \$1,024,636 was disclosed. The subject's total assessment reflects an estimated market value of \$3,108,726 using Sangamon County's 2008 three-year median level of assessments of

32.96%. The board of review did not submit any evidence in support of subject's assessed valuation as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a)).

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Property Tax Appeal Board further finds a reduction in the assessment of the subject property is warranted.

The appellant contends the market value of the subject property is not accurately reflected in its assessment. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant argued the subject's assessment was not reflective of its fair market value based on an appraisal report, wherein the subject property was estimated to have a fair market value of \$2,450,000 as of January 1, 2008. The board of review did not submit any valuation evidence to support its assessment of the subject property or refute the value conclusion contained in the appellant's evidence as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a)). The subject property's total assessment reflects an estimated market value of \$3,108,726, which is considerably greater than the appraisal submitted by the appellant. Therefore, a reduction in the subject parcels' assessments is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
