

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tim & Johnetta Connolly
DOCKET NO.: 08-01977.001-R-1
PARCEL NO.: 14-33-227-017

The parties of record before the Property Tax Appeal Board are Tim & Johnetta Connolly, the appellants, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$2,610
IMPR.: \$9,648
TOTAL: \$12,258**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame construction containing 1,113 square feet of living area. The dwelling was built in 1927. It has a basement, central air conditioning and a garage.

The appellants submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellants submitted information on the purchase of the subject in April 2008 for \$37,000. The information supplied by the appellants indicates the sale was not between family or related corporations, and the property was offered for sale through a multiple listing service for a period of 94 days prior to sale. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$19,960 was disclosed. The subject's assessment reflects an estimated market value of \$60,248 using Peoria County's 2008 three-year median level of assessments of 33.13%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three

comparable properties. The board of review did not indicate whether it considered the sale of the subject an arm's-length transaction. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal the appellants pointed out differences between the subject and the board of review's comparables. The appellants also argued that it is unfair to compare owner-occupied homes with rental properties such as the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellants argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the burden has been met.

The appellants provided evidence of a recent sale of the subject to demonstrate that it is overvalued. The appellants' evidence indicates the subject was exposed to the open market through MLS for 94 days prior to its purchase for \$37,000 from an unrelated seller in April 2008. The board of review did not provide any evidence that the sale was not an arm's length transaction. The Board finds that the market value of the subject is its selling price of \$37,000. After considering the evidence the Board finds the appellants have proven by a preponderance of the evidence that the subject is overvalued and a reduction is warranted. The market value of the subject having been determined, Peoria County's three-year median level of assessments shall be applied.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
