

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James & Diane Foster
DOCKET NO.: 08-02086.001-R-1
PARCEL NO.: 14-33-455-012

The parties of record before the Property Tax Appeal Board are James & Diane Foster, the appellants, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,630
IMPR.: \$14,190
TOTAL: \$16,820

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a one-story frame dwelling containing 1,200 square feet of living area that was built in 1920. Features include a full unfinished basement, central air conditioning, and a detached one-car garage of 280 square feet.

In writing, the parties presented no objection to a decision in this matter being rendered on the evidence submitted in the record. Therefore, the decision of the Property Tax Appeal Board contained herein shall be based upon the evidence contained in and made a part of this record.

The appellants submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this claim, the appellants submitted three comparable sales. Their proximity in relation to the subject was not disclosed. The comparables consist of one or two-story frame dwellings that were built from 1900 to 1920 and range in size from 1,176 to 1,764 square feet of living area. Features had varying degrees of similarity when compared to the subject. The

comparables sold from June 2007 to June 2008 for prices ranging from \$17,500 to \$27,500 or from \$14.88 to \$22.53 per square foot of living area including land. Based on this evidence, the appellants requested a reduction in the subject's assessment to \$9,600 or a market value of approximately \$28,800.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$16,820 was disclosed. The subject's assessment reflects an estimated market value of \$50,770 or \$42.31 per square foot of living area including land using Peoria County's 2008 three-year median level of assessments of 33.13%.

In support of the subject's assessment, the board of review submitted an analysis of three comparable sales; the properties were all within the same neighborhood code as the subject. The comparables consist of one-story frame dwellings that were built from 1914 to 1924 and range in size from 1,092 to 1,780 square feet of living area. Features had varying degrees of similarity when compared to the subject. The comparables sold between June 2007 and June 2008 for prices ranging from \$61,500 to \$67,000 or from \$34.55 to \$59.34 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellants submitted Multiple Listing Sheets for the comparable sales submitted by the board of review. The appellants argued the comparables have updates and/or features not enjoyed by the subject; comparable #3 was also nearly 50% larger than the subject. The appellants also argued it is unfair to compare owner occupied dwellings to a rental dwelling like the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds no reduction in the subject's assessment is warranted.

The appellants argued the subject property is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the appellants have not overcome this burden.

The record contains six suggested comparable sales for the Board's consideration. The Property Tax Appeal Board finds appellants' comparables #2 and #3 and board of review comparables #1 and #2 were more similar to the subject in location, design, age, size, and/or features. They sold for prices ranging from \$17,500 to \$67,000 or from \$14.88 to \$59.34 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$50,770 or \$42.31 per square foot of living area including land. After considering adjustments to the

comparables for any differences when compared to the subject, the Property Tax Appeal Board finds the subject's estimated market value as reflected by its assessment is supported and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
