

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James S. Jacobs  
DOCKET NO.: 08-02126.001-R-1  
PARCEL NO.: 18-17-306-019

The parties of record before the Property Tax Appeal Board are James S. Jacobs, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:     \$    700  
IMPR:     \$  4,110  
TOTAL:    \$  4,810**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story dwelling of frame construction containing 902 square feet of living area. The dwelling was built in 1890. Features include a garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on three comparable properties. They are located in an area with a different neighborhood code than the subject, and the appellant did not indicate their proximity to the subject. The appellant's comparables consist of one-story frame dwellings. They were built from 1900 to 1946. They contain 545 to 910 square feet of living area. One has a basement. The comparables sold from June 2007 to May 2008 for \$7,000 to \$8,000 or \$7.69 to \$14.68 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$4,810 was disclosed. The subject's assessment reflects an estimated market value of \$14,519 or \$16.10 per square foot of living area including land

using Peoria County's 2008 three-year median level of assessments of 33.13%.

In support of the subject's assessment the board of review presented descriptions and sale price information on four comparable properties. They are located from about one-tenth of a mile to eight-tenths of a mile from the subject. They consist of one-story frame dwellings that were built from 1890 to 1938. The dwellings have 813 to 1,044 square feet of living area. All have basements, two have garages, and one has central air conditioning. The board of review's comparables sold from October 2007 to July 2008 for \$12,500 to \$18,000 or \$14.74 to \$18.45 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2<sup>nd</sup> Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not met this burden.

The record contains seven suggested comparable sales for the Board's consideration. The appellant's comparables #2 and #3 are much smaller than the subject. The other five comparables are similar to the subject in most property characteristics and sold for \$7,000 to \$18,000 or \$7.69 to \$18.45 per square foot of living area including land. The subject's estimated market value of \$14,519 or \$16.10 per square foot of living area including land is well within that range. After considering the evidence the Board finds the appellant has not proven by a preponderance of the evidence that the subject is overvalued and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
