

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Multi-State Investment LLC
DOCKET NO.: 08-02168.001-R-1
PARCEL NO.: 18-04-278-011

The parties of record before the Property Tax Appeal Board are Multi-State Investment LLC, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,920
IMPR.: \$9,590
TOTAL: \$11,510

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a two-story frame dwelling containing 1,273 square feet of living area that was built in 1900. Features include a partial unfinished basement and a one-car garage of 240 square feet.

In writing, the parties presented no objection to a decision in this matter being rendered on the evidence submitted in the record. Therefore, the decision of the Property Tax Appeal Board contained herein shall be based upon the evidence contained in and made a part of this record.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this claim, the appellant submitted three comparable sales located in the same neighborhood code as the subject. The comparables consist of one or two-story frame dwellings that were built from 1900 to 1920 and range in size from 1,176 to 1,764 square feet of living area. Features had varying degrees of similarity when compared to the subject. The comparables sold

from June 2007 to June 2008 for prices ranging from \$17,500 to \$27,500 or from \$14.88 to \$22.53 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$6,000 or a market value of approximately \$18,000.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$11,510 was disclosed. The subject's assessment reflects an estimated market value of \$34,742 or \$27.29 per square foot of living area including land using Peoria County's 2008 three-year median level of assessments of 33.13%.

In support of the subject's assessment, the board of review submitted an analysis of five comparable sales; the properties were from .08 to .826-miles from the subject. The comparables consist of one and one-half or two-story frame dwellings that were built from 1900 to 1915 and range in size from 1,211 to 1,568 square feet of living area. Features had varying degrees of similarity when compared to the subject. The comparables sold between March and December 2007 for prices ranging from \$31,300 to \$50,000 or from \$19.96 to \$33.78 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant submitted Multiple Listing Sheets for the comparable sales submitted by the board of review and noted two prior sales of the properties for lower sale prices. The appellant argued the comparables have updates and/or features not enjoyed by the subject. The appellant also argued it is unfair to compare owner occupied dwellings to a rental dwelling like the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds no reduction in the subject's assessment is warranted.

The appellant argued the subject property is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not overcome this burden.

The record contains eight suggested comparable sales for the Board's consideration. The Property Tax Appeal Board finds appellant's comparable #1 and the comparables submitted by the board of review were more similar to the subject in location, design, age, size, and/or features. They sold for prices ranging from \$27,500 to \$50,000 or from \$15.59 to \$33.78 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$34,742 or \$27.29 per square foot of living area including land. After considering adjustments to the

comparables for any differences when compared to the subject, the Property Tax Appeal Board finds the subject's estimated market value as reflected by its assessment is supported and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
