

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: NKSJKS LLC  
DOCKET NO.: 08-02411.001-R-1  
PARCEL NO.: 13-2-21-11-11-201-017

The parties of record before the Property Tax Appeal Board are NKSJKS LLC, the appellant, by attorney Kevin J. Stine, of Mathis Marifian & Richter Ltd. in Belleville; and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,390  
**IMPR.:** \$54,360  
**TOTAL:** \$60,750

Subject only to the State multiplier as applicable.

The subject property consists of a residential property located in Collinsville Township, Madison County.

The appellants submitted evidence before the Property Tax Appeal claiming overvaluation and assessment inequity as the bases of the appeal. In support of the overvaluation argument the appellants indicated the subject sold in April 2008 for \$125,000. The appellants also submitted an appraisal of the subject wherein the subject's market value was estimated at \$155,000 as of March 4, 2008. In support of the inequity argument, the appellants submitted data sheets on three comparable properties. The evidence further revealed that the appellants did not file a 2008 assessment complaint with the board of review but filed this appeal directly to the Property Tax Appeal Board following receipt of the notice of application of a 2008 Collinsville Township equalization factor of 1.05640. Based on this evidence, the appellants requested the subject's assessed be reduced to \$42,000.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$64,180 was disclosed. The subject's assessment reflects an estimated market value of \$194,603 using Madison County's 2008 three-year median level of assessments of 32.98%. After reviewing the appellants' evidence, the board of review agreed to reduce the subject's assessment by the amount of increase caused by the application of the township equalization factor.

The appellants were notified of this suggested agreement and given thirty (30) days to respond if the offer was not acceptable. The appellants did respond to the Property Tax Appeal Board by the established deadline rejecting the proposed assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's 2008 assessment is supported. However, the record indicates that the appellants appealed the subject's assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4<sup>th</sup> Dist. 1999).

Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
