

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Glen Ingram
DOCKET NO.: 08-02417.001-R-1
PARCEL NO.: 24-2-02-19-02-201-024

The parties of record before the Property Tax Appeal Board are Glen Ingram, the appellant; and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$6,990
IMPR.: \$65,300
TOTAL: \$72,290**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a single family dwelling located in Alton, Godfrey Township, Madison County.

The appellant claims overvaluation as the basis of the appeal. In support of this argument the appellant submitted documentation disclosing the subject property was purchased in August 2008 for a price of \$210,000. The appellant indicated on the appeal form that the parties to the transaction were not related and further indicated the subject property was advertised on the open market through the local newspaper, the multiple listing service and on the internet. The appellant stated on the appeal form that the subject was on the market for approximately one year and sold by a Realtor. To further document the purchase price the appellant submitted a copy of the first page of the sales contract indicating a purchase price of \$210,000; a copy of the Illinois Real Estate Transfer Declaration indicating a purchase price of \$210,000; and a copy of the closing statement reflecting a purchase price of \$210,000. The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of a township

equalization factor issued by the board of review increasing the assessment from \$72,290 to \$74,460. Based on this evidence the appellant requested the subject's assessment be reduced to \$70,000 to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment was disclosed. After reviewing the appellant's evidence, the board of review agreed to reduce the subject's assessment to the pre-equalized assessment of \$72,290 based on the recent sale.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted by the appellant disclosing the subject property was purchased in August 2008 for a price of \$210,000, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant appealed the assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the

Docket No: 08-02417.001-R-1

reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
