

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andy Wallace
DOCKET NO.: 08-02552.001-R-1 through 08-02552.006-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Andy Wallace, the appellant, and the Williamson County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Williamson County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
08-02552.001-R-1	05-05-430-001	1,670	0	\$1,670
08-02552.002-R-1	05-05-430-003	1,670	0	\$1,670
08-02552.003-R-1	05-05-430-007	1,670	0	\$1,670
08-02552.004-R-1	05-05-430-009	1,670	0	\$1,670
08-02552.005-R-1	05-05-429-001	1,670	0	\$1,670
08-02552.006-R-1	05-05-429-004	1,670	0	\$1,670

ANALYSIS

The subject parcels consist of vacant residential lots located near Paradise Acres Trailer Park in Cambria Township, Williamson County, Illinois.

The appellant timely submitted evidence before the Property Tax Appeal Board claiming the subject property's land was not uniformly assessed. In support of the land inequity claim, the appellant submitted four assessment comparables to demonstrate the subject's land was not uniformly assessed. Based on the parcel identification numbers, these comparables appear to be in very close proximity to at least four of the parcels on this appeal. The comparables have land assessment of \$1,670 while the subject parcels have a land assessment of \$3,330.

The appellant also submitted the Williamson County Board of Review's final decision regarding the subject parcels. Each parcel had a final assessment of \$3,330.

Based on this evidence, the appellant requested a reduction in the assessed valuation of each of the subject parcels to \$1,670.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board. By letter dated March 16, 2010, the Williamson County Board of Review was found to be in default.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant argued assessment inequity in the subject's land assessment. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill. 2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data the Board finds a reduction commensurate with the appellant's request is warranted.

The appellant in this appeal submitted documentation to demonstrate the subject property was inequitably assessed as compared to nearby property. The board of review did not submit any evidence in support of its assessment of the subject property as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board. The Property Tax Appeal Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
