

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Oak Brook Toyota
DOCKET NO.: 08-02883.001-C-3
PARCEL NO.: 09-03-207-021

The parties of record before the Property Tax Appeal Board are Oak Brook Toyota, the appellant, by attorney Thomas M. Battista of Rock, Fusco & Associates, LLC, in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,122,870
IMPR: \$1,305,840
TOTAL: \$2,428,710

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of an automobile dealership located in Downers Grove Township, DuPage County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming the subject's assessment was not reflective of its fair market value. In support of this claim, the appellant submitted an appraisal report wherein the subject property was estimated to have a fair market value of \$7,300,000 as of January 1, 2007, using two of the three traditional approaches to value. The appellant also submitted the final decision issued by the DuPage County Board of Review wherein the subject parcel's final assessment of \$3,291,760 was disclosed. The subject's assessment reflects an estimated market value of \$9,894,079 using DuPage County's 2008 three-year median level of assessments of 33.27%. Based on this evidence, the appellant requested a reduction in the subject's assessed valuation.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of

the subject property as required by Section 1910.40(a) of the Official Rules of the Property Tax Appeal Board. (86 Ill.Adm.Code §1910.40(a)).

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Property Tax Appeal Board further finds a reduction in the assessment of the subject property is warranted.

The appellant contends the market value of the subject property is not accurately reflected in its assessment. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant argued the subject's assessment was not reflective of its fair market value based on an appraisal report, wherein the subject property was estimated to have a fair market value of \$7,300,000 as of January 1, 2007. The board of review did not submit any valuation evidence to support its assessment of the subject property as required by Section 1910.40(a) of the Official Rules of the Property Tax Appeal Board. (86 Ill.Adm.Code §1910.40(a)). The subject's assessment reflects an estimated market value of \$9,894,079, which is considerably higher than the appraisal submitted by the appellant. Therefore, a reduction in the subject's assessment is warranted. Since fair market value has been established, DuPage County's 2008 three-year median level of assessments of 33.27% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
