

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Betz Laboratories, Inc. (GE)
DOCKET NO.: 08-04885.001-I-3
PARCEL NO.: 03-30-402-002

The parties of record before the Property Tax Appeal Board are Betz Laboratories, Inc. (GE), the appellant, by attorney Francis W. O'Malley of Worssek & Vihon, Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$565,840
IMPR: \$349,090
TOTAL: \$914,930

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story, masonry constructed, single user industrial building containing 57,369 square feet of building area. The building has 5,593 square feet of office space. The original portion of the building was constructed in 1967 with additions in 1997 and 2007. The subject has a clear ceiling height of 18 feet, six exterior truck height docks, 4 drive-in truck doors and an exterior concrete dock with a 4,794 square foot canopy. Site improvements include 75,000 square feet of concrete pavement, 15,000 square feet of asphalt pavement, concrete walks and 1,100 linear feet of chain link fencing. The subject has a 193,905 square foot site and is located in Addison, Addison Township, DuPage County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$2,750,000 as of January 1, 2008. The appellant also submitted a copy of the final decision issued by the DuPage County Board of Review establishing a total assessment for the subject of \$1,388,670, which reflects a market value of approximately \$4,173,940 when using the 2008 average three year median level of

assessments for DuPage County of 33.27% as determined by the Illinois Department of Revenue. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$2,750,000 as of January 1, 2008. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)). Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$2,750,000 as of January 1, 2008. Since market value has been determined the 2008 average three year median level of assessments for DuPage County of 33.27% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
