

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark & Kathleen Wilcox  
DOCKET NO.: 08-05430.001-R-1  
PARCEL NO.: 13-2-21-03-04-401-028

The parties of record before the Property Tax Appeal Board are Mark & Kathleen Wilcox, the appellants, and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,650  
**IMPR.:** \$67,630  
**TOTAL:** \$78,280

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a single-family dwelling located in Madison County, Illinois.

The appellants submitted evidence before the Property Tax Appeal Board arguing overvaluation as the basis of the appeal. In support of this claim, the appellants submitted a grid analysis of four comparable sales. The evidence further revealed that the appellants did not file a complaint with the board of review, but filed this 2008 assessment appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor.<sup>1</sup> Based on this evidence, the appellants requested a reduction in the subject's assessment to \$64,600 or a market value of approximately \$193,800.

---

<sup>1</sup> Notice of Final Decision on Assessed Value by Board of Review was dated April 8, 2009 and indicated "Reason for Change: Equalization . . . Collinsville Township = 1.0564 (2008 Equalization factor)."

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final equalized assessment of \$82,690 was disclosed. After reviewing the appellants' evidence, the board of review agreed to reduce the subject's assessment by the amount of increase caused by the application of the equalization factor or to \$78,280.

The appellants were notified of this suggested agreement and given thirty (30) days to respond if the offer was not acceptable. The appellants responded to the Property Tax Appeal Board by the established deadline rejecting the board of review's proposed assessment reduction. Furthermore, the appellants submitted an appraisal report of the subject property obtained for a refinance transaction with an estimated market value of \$205,000 as of February 19, 2010. Based on this additional data, the appellants requested an assessment reduction reflecting this appraised value.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellants argued the subject property was overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellants did not file a complaint with the board of review, but appealed the subject's 2008 assessment directly to the Property Tax Appeal Board based on notice of an equalization factor. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board can grant is limited.

Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. (86 Ill.Admin.Code §1910.60(a)).

Additionally, section 16-180 of the Property Tax Code provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax

Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor. (35 ILCS 200/16-180).

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4<sup>th</sup> Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor. Moreover, the appraisal with a valuation date of February 19, 2010 cannot alter the impact of the above provisions with regard to this 2008 assessment appeal. Thus, the Board finds a reduction in the subject's 2008 assessed valuation commensurate with the board of review's proposal is correct.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
