

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Geneva & Kelvin Dagit
DOCKET NO.: 08-05790.001-R-1
PARCEL NO.: 09-08-26-204-065

The parties of record before the Property Tax Appeal Board are Geneva & Kelvin Dagit, the appellants, by attorney Nancy A. Schell, of Froehling, Weber, Evans & Schell, LLP in Canton, and the Fulton County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Fulton** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,690
IMPR.: \$76,440
TOTAL: \$81,130

Subject only to the State multiplier as applicable.

ANALYSIS

The subject .632-acre parcel is improved with a one and one-half-story frame single-family dwelling built in 2006. The dwelling contains 2,047 square feet of living area and features a full partially finished basement, central air conditioning, a fireplace and an attached three-car garage. The property is located in Canton, Canton Township, Fulton County.

Based on data set forth in the Residential Appeal form, the subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 07-02438.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision based upon a stipulation of the parties lowering the assessment of the subject property to \$81,130 based on the evidence in the record. The appellants' attorney asserted that 2007 and 2008 were within the same general assessment period for residential property. The appellants also submitted assessment information on four comparables to demonstrate the subject was being inequitably assessed.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2007 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2007 and 2008 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Property Tax Appeal Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
