

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Bohannon
DOCKET NO.: 08-06768.001-R-1
PARCEL NO.: 05-18.0-308-010

The parties of record before the Property Tax Appeal Board are Kenneth Bohannon, the appellant; and the St. Clair County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the St. Clair County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 10,864
IMPR: \$ 0
TOTAL: \$ 10,864

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a vacant residential lot located in Lebanon Township, St. Clair County.

The appellant claims assessment inequity as the basis of the appeal. In support of this argument the appellant submitted three suggested land documentation that had land assessments of \$191 or \$381. The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of a township equalization factor of .9992 issued by the board of review reducing the assessment of the subject property from \$10,873 to \$10,864. Based on this evidence submitted, the appellant requested the subject's assessment be reduced to \$1,050.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property as required by Section 1910.40(a) of the Official Rules of the Property Tax Appeal Board.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board finds the appellant timely filed the appeal from the assessment notice issued by the board of review reducing the assessment of the subject by the application of an equalization factor of .9992, which conferred jurisdiction on this Board.

Based upon the evidence submitted, the Board finds that a change in the subject's assessment is not warranted. The record disclosed that the appellant appealed the assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor of .9992 issued by the board of review reducing the assessment of the subject from \$10,873 to \$10,864. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited by rule and statute. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the **increase caused by the application of the township equalization factor.** 86 Ill.Admin.Code §1910.60(a). (Emphasis added.)

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, **the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.** (Emphasis added.)

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Neither the Board's rule nor the Property Tax Code provide that the Property Tax Appeal Board may further reduce an assessment where a "negative" equalization factor has been applied by the board of review lowering the pre-equalized assessment.

Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds the township equalization factor

applied by the board of review reduced the subject's assessment rather than causing an assessment increase. On the basis of these facts, the Board finds it has no authority to further reduce the assessment of the subject property beyond the 2008 equalized assessment as established by the board of review. In conclusion, the Board finds no change in the subject's assessment is warranted based on the mechanics of the law.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
