

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Skyba Wasyl
DOCKET NO.: 08-20600.001-R-1
PARCEL NO.: 13-17-100-012-0000

The parties of record before the Property Tax Appeal Board are Skyba Wasyl, the appellant, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,152
IMPR.: \$18,400
TOTAL: \$27,552

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 1½-story dwelling of masonry construction containing 1,152 square feet of living area. The dwelling is 66 years old. Features of the home include a full unfinished basement, central air conditioning and a 2-car garage¹.

The appellant's appeal is based on overvaluation. In support of the overvaluation argument the appellant disclosed that the subject was purchased in April 2009 for \$287,000. The appellant states the sale was not between family or related corporations and had been advertised and on the market for 2 years. The appellant also states the sale was in settlement of a contract for deed. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The subject's assessment of \$30,601 reflects a market value of \$318,760 when applying the 2008 three year median level of assessments for Cook County class 2 property of 9.60% as determined by the Illinois Department of Revenue, which is greater than the value reflected by the sales price. The board of review presented descriptions and assessment information on four equity comparable properties, none of which had recently

sold. The board of review also presented a list of 20 class 2-03 sales from 1990 through 2008 for prices ranging from \$42,500 to \$620,900. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant argued the subject property is overvalued based on its April 2009 sale price. When market value is the basis of the appeal, the value must be proven by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 183, 728 N.E.2d 1256 (2nd Dist. 2000). The Board finds the appellant has overcome this burden.

The Illinois Supreme Court has defined fair cash value as what the property would bring at a voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is ready, willing, and able to buy but not forced to do so. Springfield Marine Bank v. Property Tax Appeal Board, 44 Ill.2d. 428, (1970). A contemporaneous sale of property between parties dealing at arm's-length is a relevant factor in determining the correctness of an assessment and may be practically conclusive on the issue of whether an assessment is reflective of market value. Rosewell v. 2626 Lakeview Limited Partnership, 120 Ill.App.3d 369 (1st Dist. 1983), People ex rel. Munson v. Morningside Heights, Inc, 45 Ill.2d 338 (1970), People ex rel. Korzen v. Belt Railway Co. of Chicago, 37 Ill.2d 158 (1967); and People ex rel. Rhodes v. Turk, 391 Ill. 424 (1945).

The Property Tax Appeal Board finds this record shows the appellant purchased the subject property for a price of \$287,000 in April 2009, 16 months after the subject's January 1, 2008 assessment date. The appellant claims the transaction was an arm's-length transaction, which was not refuted by the board of review. Based on this analysis, the Board finds the sales price of \$287,000 is the best evidence of market value in the record. The Board gave little weight to the list of 20 suggested comparable sales contained in the board of review's submission of evidence, citing lack of detailed description for comparison to the subject. Therefore a reduction in the subject's assessment based on overvaluation is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
