

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Palcu  
DOCKET NO.: 08-21075.001-R-1  
PARCEL NO.: 28-12-215-036-0000

The parties of record before the Property Tax Appeal Board are John Palcu, the appellant, by attorney Julie Realmuto of McCarthy Duffy in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$2,520  
IMPR.: \$17,776  
TOTAL: \$20,296**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story dwelling of masonry construction containing 915 square feet of living area. The dwelling is 17 years old and has a slab foundation

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on seven comparable properties, however, the appellant provided detailed descriptive information on only four of these comparable properties. The Board will give less weight to the comparables that do not have descriptive information. The remaining four comparables are described as one-story frame dwellings that range in age from 45 to 79 years old. The comparable dwellings range in size from 836 to 977 square feet of living area. The comparables do not have a basement. The appellant did not include any data concerning garages for the comparables. The comparables have improvement assessments ranging from \$7.83 to \$8.90 per square foot of living area. The subject's improvement assessment is \$19.43 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed.

The board of review did not present any comparable properties. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the appellant were dissimilar to the subject in exterior construction and age. Due to the dissimilarities to the subject, these comparables received less weight in the Board's analysis. The Board finds these comparables are insufficient to demonstrate the subject's assessment is incorrect, notwithstanding the board of reviews' failure to submit evidence in support of the subject's assessment. The Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
