

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Magee  
DOCKET NO.: 08-21173.001-R-1  
PARCEL NO.: 15-36-206-037-0000

The parties of record before the Property Tax Appeal Board are James Magee, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 8,510  
IMPR.: \$ 25,954  
TOTAL: \$ 34,464**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject has 7,599 square feet of land that is improved with a 100 year old, one and one-half story, frame and masonry, single-family dwelling. The subject's improvement size is 1,795 square feet of living area, and its total assessment is \$40,783. This assessment yields a fair market value of \$424,823, or \$236.67 per square foot of living area (including land), after applying the 2008 Illinois Department of Revenue three year median level of assessment for Class 2 properties of 9.60%. The appellant, via counsel, argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal.

In support of the market value argument, the appellant submitted descriptive and sales information for four sales comparables. The comparables are described as one-story or one and one-half story, masonry or stucco, single-family dwellings. Additionally, the comparables are from 81 to 87 years old, and

have from 1,459 to 1,736 square feet of living area. The comparables also have several amenities. The comparables sold between September 2006 and October 2008 for \$247,500 to \$315,000, or \$169.64 to \$204.64 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$40,783 was disclosed. In support of the subject's assessment, the board of review submitted descriptive and assessment information for four properties suggested as comparable to the subject. The comparables are described as one and one-half-story, frame and masonry, single-family dwellings. Additionally, the comparables range: in age from 72 to 80 years; in size from 1,558 to 1,782 square feet of living area; and in improvement assessments from \$17.63 to \$23.04 per square foot of living area. The comparables also have several amenities. The board of review's grid sheet also states that Comparable #1 sold in June 2006 for \$600,000, or \$358.64 per square foot of living area, including land; and that Comparable #3 sold in October 2007 for \$325,000, or \$208.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

The Board finds that comparables #2 and #3 submitted by the appellant, as well as comparable #3 submitted by the board of review, were most similar to the subject in location, size, style, exterior construction, features, and/or age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had a price per square foot that ranged from \$175.69 to \$208.60, including land. The subject's price per square foot of \$236.67 is above the range established by the most similar comparables. Therefore, after considering adjustments and differences in both parties' comparables when compared to the subject, the Board finds that the subject is overvalued, and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
