

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John & Charlene Earley
DOCKET NO.: 08-21818.001-R-1
PARCEL NO.: 28-18-105-017-0000

The parties of record before the Property Tax Appeal Board are John & Charlene Earley, the appellants, by attorney Jason T. Shilson, of O'Keefe Lyons & Hynes, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,958
IMPR.: \$ 16,060
TOTAL: \$ 24,018

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 12,435 square feet of land improved with a 22-year old, one-story, frame and masonry, single-family dwelling. The improvement contains 1,894 square feet of living area as well as two full and one half-baths, one fireplace, and a two-car garage.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement as the basis of this appeal.

In support of the equity argument, the appellants submitted limited descriptive and assessment data for 7 suggested comparables reflected on three grid sheets. They are improved with a frame, masonry, or frame and masonry, single-family dwelling. They range: in age from 33 to 46 years; in

improvement size from 1,831 to 2,260 square feet of living area; and in improvements assessments from \$5.09 to \$9.12 per square foot. In comparison, the subject's improvement assessment is \$8.48 per square foot of living area. The properties also include varying amenities. Based upon this analysis, the appellants requested a reduction in the subject's assessment. The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$24,018. The board of review submitted descriptive and assessment data relating to four suggested comparables. The properties are improved with a 22-year old, one-story, frame and masonry, single-family dwelling. They range in improvement size from 1,820 to 2,125 square feet of living area and in improvement assessments from \$10.20 to \$11.93 per square foot. The properties contain various amenities. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellants contend unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has not met this burden.

Upon due consideration of the evidence submitted by the parties, the Board finds that the board of review's comparables #1, #2 and #4 are most similar to the subject in style, improvement age, size, and/or amenities. In analysis, the Board accorded most weight to these comparables, which range in improvement assessments from \$10.20 to \$11.93 per square foot of living area. The subject's improvement assessment at \$8.48 per square foot is within the range established by these comparables.

The Board accorded diminished weight to the remaining properties due to a disparity in improvement age and/or size.

Therefore, the Board finds that the appellants have not demonstrated that the subject is inequitably assessed and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
