

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Krupa
DOCKET NO.: 08-22083.001-R-1
PARCEL NO.: 05-20-117-004-0000

The parties of record before the Property Tax Appeal Board are Steve Krupa, the appellant(s), by attorney Mitchell L. Klein, of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 21,240
IMPR.: \$ 58,760
TOTAL: \$ 80,000

Subject only to the State multiplier as applicable.

ANALYSIS

The subject has 8,850 square feet of land, which is improved with an 86 year old, two-story, frame, single-family dwelling. The subject's improvement size is 1,950 square feet of living area, and its total assessment is \$80,000. This assessment yields a fair market value of \$833,333, or \$427.35 per square foot of living area (including land), after applying the 2008 Illinois Department of Revenue three year median level of assessment for Class 2 properties of 9.60%. The appellant, via counsel, argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal.

In support of the market value argument, the appellant submitted evidence showing that the subject sold in December 2008 for \$435,000. This evidence included a Residential Real Estate Contract. Furthermore, the appellant's pleadings state that the sale was not between related parties, that the subject was advertised for sale on the open market, that the parties used a real estate broker, and that the sale was not pursuant to a foreclosure or a short sale. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$80,000 was disclosed. In support of the subject's assessment, the board of review submitted descriptive and assessment information for four properties suggested as comparable to the subject. The comparables are described as two-story, frame, single-family dwellings. Additionally, the comparables range: in age from 84 to 96 years; in size from 1,838 to 2,090 square feet of living area; and in improvement assessments from \$32.00 to \$33.09 per square foot of living area. The comparables also have several amenities. The board of review's grid sheet also states that the subject sold in November 2005 for \$800,000, or \$410.26 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is not warranted.

The Board finds that the Residential Real Estate Contract is not persuasive without any other supporting evidence. A contract to sell property does not prove that the transaction was actually completed, establishing a market price for the subject. Moreover, the board of review's evidence regarding the sale of the subject is not persuasive, as the sale was not supported by any evidence, other than a statement on the grid sheet. Therefore, the Board finds that the subject is not overvalued, and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
